Recommendations

- Category A.** As per the feedback received from the stakeholders, it has been observed that the feedback responses are above 90% (including always and often) and as such no action is needed. However, the IQAC will maintain the quality of education in near future also.
- Category B:** As depicted in the table, responses to majority of the questions fall between 80-90 % when "always and often" are taken together. Perusal of question reveals that action is required to be taken both at administrative level and teaching faculty level
 - At the level of teachers following areas are required to be improved for bringing 100% quality in teaching- learning level. Hence it is recommended that standing instructions are passed among the teachers to work in the following areas to increase the positive responses in near future.
 - Extending help to the students irrespective of the gender, ethnicity and culture.
 - Bringing fairness in evaluation.
 - Identification of students strengths, weaknesses and providing guidance.

- iv. Regularly checking the laboratory/practical works besides conduction of experiments as per the requirements of the syllabus.
- v. Well prepared lectures in the classroom making it more effective and interactive with a healthy question -answers session.
- vi. Encouraging the students to think and explore new ideas.
- vii. Ensuring discipline in the class.
- viii. Making alternate arrangements of the class during the leave period of a teacher.
- ix. Using innovative teaching methods like new software tools, digital gadgets, innovation in teaching.
- x. Encouraging the students to participate in extracurricular activities.
- At the level of administrations following actions are required to be taken:
 - i. College website committee be asked to regularly update the website.
 - ii. Introduction of the Learning management system for the academic delivery and content management.
 - iii. Development of green and eco friendly campus. There is a sufficient amount of plantation in the campus, therefore more steps needed for maintaining the gardens.
 - iv. Solid waste as well as other waste management be ensured in the campus.
 - v. Development of more infrastructure for the smooth functioning of the PG as well as UG courses.
 - vi. Improving Drinking Water facility in the Campus. In this context water purifier and water cooler must be installed in the Campus.
 - vii. Vocational Courses as well as more Skill courses must be introduced.
 - viii. More number of traditional class rooms must be converted into smart class rooms.
 - ix. Academic and Examination schedules be strictly followed to ensure no delay in classes or conduct of internal examinations.
 - x. Ensuring cleanliness in the classes.
 - xi. Instructions to whole staff of the college for remaining cooperative and helpful to the students.

Suggestion by the Alumni:

1. Satisfactory
2. We need to update our system and way of teaching and learning time to time college administration must value the outgoing students and their parents in framing new policies regarding college development
3. Keep associated with the Alumni of the college
4. Connect with students Enmass and counseling in all aspects inviting alumni as well
5. Must conduct alumni meet regularly annually?
6. Skill Development courses must be started to increase the employability among youngsters. Moreover, there should be an App to track the pass outs of the College, to analyze the future adjustment of each student of college. There should be Physical mode Alumni Meets, so that every should feel involved and it should not be occasional only for NACC perspective.
7. Focus on conceptual cum practical learning rather than passing classes by any means, irrespective of learning ways.
8. Since Colleges do a lot have any flexibility in designing curriculum therefore learner must be encouraged and sensitized to pursue MOOC courses from SWAYAM platform for meeting the requirement and filling gaps in curriculum if any. Academic Bank credits facilitate credit transfer and offers flexibility to learners.
9. Need new system of education as per need
10. Great Need of Content Up gradation and Innovation to meet industry requirements.
11. Need to develop scientific sense among students and must inculcate the legal sense among students to meet the present scenario, legal education must be imparted.
12. Emphasis need to be given to emerging branches of knowledge like AI, coding, IT skills etc apart from regular academics because these skills can help students get a decent job in short span of time without having to depend upon government jobs only.
13. Focus on the up gradation and development of infrastructure, laboratories and other curricular and co-curricular activities so that students explore their ideas for the betterment of the society.
14. Need of research center to be established in various fields.
15. Do work towards enhancing digital infrastructure like IFPDs in classrooms.
16. I think no suggestions required in view of New Education policy which needs to be followed .
17. Due to large no. of students present in the class, many students are neglected. If his can somehow be managed
18. Overall very good but improvement is need of time
19. Focus should be on quality instead of quantity.
20. Work out for better syllabus that will help students in employment generation and a graduate will become independent economically. Along with routine teach them a course of skill development
21. All alumni should be invited in main functions of the college turn by turn.
22. Open virtual Classes also
23. Being a student of biotechnology, felt need of biotechnology laboratory...at my time in the year 2008 to 2010.
24. Institution must acquire more land.
25. More focus should be on running the professional courses in the institution.
26. There should be financial education system along with other education.
27. Alumni meet should be organized and it should be arranged permanently viz quartly, half yearly or yearly as possible.

28. Some other streams subjects also introduced in college
29. Addition of Skill Development Courses
30. Skill development is need of the hour along with academics.
31. The institute is performing exceptionally in the field of learning & co-curricular activities & has been an epitome of excellence in the entire region.
32. Please regularly organize National Level workshops and conferences at the campus for exposure of students to other institutions
33. Introduction of new Pg subjects
34. Syllabus should be designed to overcome the problem of unemployment by incorporating various skills like cooking, driving, plumbing, singing, painting etc.
35. Integrating vocational education alongside academic studies is crucial for practical skill development. Diversifying co-curricular activities to cater to various interests and promoting inclusivity will enhance students' holistic development and career readiness.
36. Syllabus should be based on research. Teachers should cover the whole syllabus before exams and shows some sort of seriousness. Despite the fact that college has been established long ago still it lag behind in many aspects. We should have a museum, botanical garden.
37. Apart from studies and syllabus, the institution should engage students in other activities also which would result in developing overall personality of the student
38. Overall functioning is good
39. Alumni meetings are required to regularly conduct. Further the class work for the student will include the presentation/Demonstration through Projector/other means for the demands of present Scenario
40. Update education system of the country is the burning issue of the country
41. Needs updation, inclusion of new subjects for overall development
42. Our Curriculum and laboratories should be upgraded as per societal needs.
43. Always try our best to give Quality education to the child so that our students compete the present competition
44. Needs improvement in some fields
45. Stakeholders contribution is very important
46. P.G College Rajouri is a prestigious institute of education. Everything is quite satisfactory. NCC and NSS units are also running smoothly for making the campus more attractive.
47. Kindly conduct alumni meet every year.
48. Excellent atmosphere
49. Great efforts are being put in by the teachers though little more coordination with the Alumni can enhance the overall performance of the institution.
50. Some professional courses needs to be added
51. The college should collaborate with BGSBU for conducting various research activities and Knowledge Sharing.
52. Opted Neutral maximally because have never been to the Institution for last 15/20 years. We'd try to visit and then update if there is the provision. Thank you
53. Always for any kind of help
54. Do organize Alumni Meet soon
55. At that time when i was the part of it. It was wonderful
56. More PG courses needed
57. upgrade all courses at pg level

58. Hold regular Alumni meets at least annually. And invite veteran alumni technical experts to interact with college students.
59. Job oriented courses and campus placements need to improve.
60. Need to introduce vocational courses and special focus should be on developing vocational efficiency among the students.
61. Need to develop a centralized instrument facility
62. Thank you all sir..... I always feel proud to be alumni of this pg college during my B.SC. time.
63. Curriculum should be completed in stipulated time frame. It is better to complete entire syllabus so that insight learning took place
64. Women College in Rajouri is primary need.
65. Overall good
66. College should host career counseling and placement programmed entrepreneurship development initiatives also

Action Taken:

1. With the implementation of NEP-2020 most of the suggestions have already been implemented.
2. College has mostly working smart class rooms, and proposal have already been submitted to convert all the class rooms into smart classroom.
3. As per the up gradation of the syllabus, University is the only agency to modify the curriculum in BOS. However, HOD's have suggested the BOS for modification of the syllabus.
4. As per the infrastructure is concerned an MCA block is already been constructed. Moreover a PG block for Urdu is also completed for a separate PG department. DPRs for others Academic Blocks are also submitted.
5. New Women College is in the jurisdiction of Higher Education Department, one private college SVS College for women is also functional in the radius of 2km of Rajouri city.
6. For renovation of college infrastructure a proposal has already been submitted to the department.
7. For overall growth of the students, extracurricular activities, NSS, NCC, Cultural club, Counseling Cell, Literary Club, Science club etc are already functional in the college.
8. Under NEP-2020 there are already options of research in colleges.
9. Alumni meets have already been organized by the college annually and is a past practice of the college.
10. Four PG courses are already been running in the college, and from the coming session few more PG courses will be started in the college.
