10. The College has committed to the cause of 'Clean India Campaign' and it has been engaging the student community in the Swachh Abhiyan in the past.

No of teachers/students/community participating in such activities:

1. Awareness campaign

No. 08 No of people --- 500 no. of hours- 20

Description : The volunteers of NCC(Girls Wing) visited the adopted village Ujhan-A of distt. Rajouri and actively engaged to spread the Swach Bharat Mission in and around the village. This included sensitising the village folks and pupils of the area about the importance of cleanliness through awareness programmes like group discussions, deliberations, plantation drives and demonstration of best practices for personal hygiene as well as their surroundings. Local folk were also distributed synthetic washing soaps while explaining the need and importance of cleanliness in our daily lives.

Methodology-

1. Mobilized community support
2. Mobilized local governing bodies(panchayat).
3. Mobilized print and electronic media for wide coverage of the campaign.
4. Targeted local youth for bringing greater synergy in the campaign.

2. nukkad natak:

No. of performances-4 ; no. of people sensitised- 200; no. of hours- 6

Description: The volunteers took the 'Nukkad Natak' route to spread the message of cleanliness of surroundings. Our team played 'Nukkad Natak' at four different places in the adopted area aiming to motivate the people whole heartedly to support the cause. Sarpanch, members of civil society, staff of schools in the area were made part of the campaign for easier dissemination of the message of Swachhata among the local people.

Methodology:

A total no. of four performances at important locations in the village were made to spread the message of swach Bharat mission. These nukkad natak were the most powerful instruments in bringing the attention of the local community towards the need to change the attitude towards cleanliness due to their entertaining nature. Children seem to enjoy the most and this brought the parents' attention as well.

3. swachhata mela

No. of melas- 2

Hours-6

People 200

Description- 'Swachhata Melas' were organised at the adopted village with the full cooperation of Sarpanch of the village. A large no. of students and staff of various schools of the area and local community participated in the events. The melas were used to spread awareness about sanitation, health value of green gold i.e. plants and trees. In his address to the gathering the sarpanch acknowledged the efforts made by our team in this regard and assured full cooperation in making the Swachhata mission a success in the area.

Methodology:

1. Mobilized community support
2. Mobilized local governing bodies (panchayat).
3. Mobilized print and electronic media for wide coverage of the campaign.
4. Targeted local youth for bringing greater synergy in the campaign.

Door to Door visits:

No. of households- 30

No. of people- 150

No. of hours- 10

Description- Under the guidance of the nodal officer, NCC GDC Rajouri, our team undertook a door to door campaign in the adopted village for promoting Swachhata. This included interactions with the households especially women members for a healthy discussion on the need for cleanliness and the practices employed to achieve the objective of a

neat and clean environment. The focus of the campaign was to change people's mindset and attitude towards open defecation highlighting the virtues of latrine use and proper sanitation.

Methodology: we split our team into two teams and walked throughout the village and the houses located therein. Speaking to the household members especially women was an illuminating experience as we learnt a lot about the existing beliefs and practices regarding personal health and hygiene as well as sanitary habits of the local people. People acknowledged the casual approach of the community in matters related to cleanliness like disposal of solid wastes etc. We learnt that the basic problem was the lack of initiative among the community. The community though recognized the importance and benefits of healthy environmental practices but showed a sign of lethargy about employing these. We tried to make the people conscious about the ill effects of unclean surroundings including their homes. Highlighting the possibility of diseases in unclean circumstances especially among the children seemed to impart a vigour among the people especially women to change their attitude about the use of latrines and proper sanitation.

Conducting village/ school level rallies

No.- 4

People sensitised- 600

Hours- 24

Description- Our team organised a road show on Swach Bharat Mission by taking out rallies from different schools of the area. Students, staff and villagers participated in the march to awareness of cleanliness among local people. The students carried placards displaying messages to sensitised people about cleanliness. During the campaign, our nodal officer, Sarpanch, principals, staff and students of various schools and general public swept roads and streets to create awareness among the people regarding cleanliness.

Methodology:

Our aim was to cover the entire length and breath of the village area so that the message of cleanliness and Swach Bharat mission reaches every nook and corner of the village. We involved young children of the local school to make an innocent appeal to the local community to observe Swachhata as a principle in their daily lives. Various slogan were incorporated to send across the message to the local folk. We also made an appeal to the community to give up their differences in matters related to cleanliness and urged every one to take the first initiative. We also related Swachhata to good neighbour to neighbour relations. We are grateful to the support received from local bodies and teachers and staff of local schools who joined and echoed our effort towards the mission.

Movie screenings-

No. 5

Attendees 100

Hours 6

Description: Under the summer internship program of 'Swachh Bharat Abhiyan' (Gramin), movie screening was organized which served as a visual aid to preach people about the importance of sanitation in their household.

Methodology: First movies on swachhata were screened among the viewers. The movie screening was then accompanied by the explanation. All the sanitation related advertisements issued by Govt. of INDIA were shown and thoroughly explained twice to the mass. It was followed by a trivia which exhibited their positive response to the movement. The clips and elucidation were mainly focused on 'OPEN DEFECATION' by urging people to quit it in satirical way. The new 'Two-Pit System' and its

advantages were explained to the people and also it conveyed a very important message of 'Compulsory Toilets' at home. That had had much influence on the people. They all were convinced with the idea of having toilets at home. The movie screening hence was one contributory step towards spreading the awareness among the people.

Wall paintings on public walls

No of walls painted: 15

No. of people sentisised :- 500

No. of hours: 12

Description : Our team has painted a no. of public buildings like local public schools, 'Panchayat Ghar' as well as street walls. This included painting slogans on walls to promote efforts to achieve total sanitation and cleanliness in the village.

Methodology:

The idea was to garner maximum attention of the village folk towards the message of Swach Bharat Abhiyan through visual representation. The local village youth were gathered and involved in the painting drive who seemed quite enthusiastic about it. The paintings included important written messages like "Do your bit to keep India clean" as well as pictorial representation of important messages like the importance of throwing garbage into garbage bins etc.

Street cleaning:

Length of street- 3 km

No of participants: 100

No of hours- 10 hours

Description: The team undertook street cleaning throughout the entry and exit of the adopted village as a part of the mission thereby contributing to the cleanliness of the village. The alleys were cleaned over a period of 3 days. Approximately 3 km of streets & alleys were cleaned through nearly 15 hours of dedicated work by 10 volunteers of the group.

Methodology:

The event was launched at the “Panchayat Ghar” of the village. In a format inspired by the Ice Bucket Challenge, the Sarpanch encouraged the nominees to further challenge other people to join the campaign and spread its mission. the drive saw participation from all quarters of society, including government employees.

The team of volunteers urged group members to ‘Just Do It’, and the resulting transformation of the village was truly remarkable – a lot of garbage was removed.

OTHER ACTIVITY:

Activity name: swachhata pledge; Cleanliness Drives.

No. of beneficiaries: 500

No. of hours spent: 20

Description: Our volunteer team took a 'Swachhata Pledge' at D.H. High School, Rajouri involving the school students and staff. Also, several cleanliness drives were undertaken in various parts of the town to clean these areas and the same time spread awareness about the swachhata mission. These areas included college campus, girls hostel & Distt. Hospital, Rajouri. Also, in the adopted village, we helped the local community in demonstrating simple water harvesting solutions for a more holistic approach towards sustainable environmental practices.

Methodology: At the D.H. High School, volunteers first interacted with the students and staff about the Swach Bharat Abhiyan initiated by the Govt. of India and highlighted the need as well as the benefits of the Swachhata mission. The chairperson of the institute acknowledged the need for keeping the school and its surroundings clean and took part in the "swachhata pledge" for the same. In other activities undertaken by the volunteers as their efforts in the way of Sawch Bharat Mission, the team held several cleanliness drives at some important locations in the town. The locations were chosen keeping in mind their symbolic significance for cleanliness, health and hygiene. The drive in the Distt Hospital was organised to spread the message of importance of hygiene and cleanliness very strongly that clean India will deliver healthy India as doctors, health care institutions and hospitals are the most prominent and important in our society which can influence better health and

hygiene through such platforms. The programme was organised under the supervision of medical superintendent govt. hospital Rajouri.

STATE TIMES NEWS

RAJOURI: A Swachh Bharat Mela was organised by Govt. P.G College Rajouri under the aegis of Associate NCC Officer Girls Wing Dr. Lt. Shafia Saleem Asstt. Professor English at adopted village Ujhan (A) district Rajouri. The programme was organised at Govt. Higher Secondary School Ujhan with the full cooperation of Principal of the institution Gulzar Ahmed and Haji Zakir Sarpanch of the village. A large number of students, staff and local citizens of the area participated in the programme.

Cadet Shazima Rajput delivered a detailed lecture on Swachh Bharat Abhiyan. The welcome address was given by ANO Lt. Dr. Shafia Saleem. The Principal Hr. Sec. School Ujhan in his address appreciated the efforts made by the NCC Girls Wing of Govt. P.G College Rajouri for spreading awareness among students and common masses of this remote area. Haji Zakir, local Sarpanch and Prof. Iqbal Raina, Chief Guest also spoke on the occasion. The proceedings of the event were performed by SUO Neha Sharma.

NCC Cadets Girls Wing, Govt. P.G. College Rajouri Conduct Campus Cleanliness Drive

NCC Cadets Girls Wing (Army) Of Govt. Post Graduate College Rajouri held by ANO Lt. Shafia Saleem conducted Campus Cleanliness drive under the aegis of principal of the college. A total of sixty cadets actively took part in the cleanliness drive and set an example by dumping all the garbage collected in dustbins and by cleaning various grounds and blocks of the campus. The aim of 'safai abhayan' was to maintain environmental balance, motivate students to participate in Swach Bharat Abhiyan and to make aware students about the necessity to keep campus clean. Prof Shabir Hussain Shah, the principal of the college along with the staff members were present on the occasion to motivate the girl cadets. The principal explained the importance of cleanliness to NCC cadets. They were also apprized about the importance of "Swach Bharat Abhayan" and the harmful effects caused by plastic waste to the environment. The Girl cadets were educated and reminded of their responsibility in practicing the same in their localities also to achieve "Swach Bharat Mission." Before the drive, cadets took the swacchata pledge to remain committed to the ideas of Mahatma Gandhi and realize his dream of a clean India. Many non NCC Volunteers of the college also came and helped to clean campus.
